

# Information on Enrollment in Childcare Facilities for 2024-2025 (英語版)

## Application schedule for mid-year enrollment

Vacancies will be posted on the Yokosuka City website on the first of each month. (Japanese only. The website has an auto-translate function, however, the translation may be very different from the original Japanese.)

### ○ Application deadline for each month:

Documents **MUST** arrive before 12th of the previous month you wish to enroll your child.

(If 12th falls on Saturday, Sunday and national holiday, deadline is the following weekday.)

*Please note that applications received after the deadline will be treated as applications for the following month.*

### ○ Childcare classes are separated by age

The class your child can be enrolled in is determined by their age as of April 1, 2024.

*Specify the age of your child as of April 1, 2024, when applying. Please note the starting age for enrollment differs for each facility.*

### ○ How to apply

Go to any childcare facility to ask for an application and submit your completed application **in-person to your first choice facility.**

- 2) Application for Childcare Benefits (pink A3 size paper)
- 3) Proof you have Circumstances Necessitating Childcare (see backside of this form for eligibility criteria)

### ○ Please note

- The application forms are the same for all facilities. (Sample English versions are available).
- If you can, please visit the facility before you apply in order to confirm important information such as how to get there and back, and whether or not it will be appropriate for your child. You can still apply for a certain facility even if you cannot visit beforehand. Please visit after submitting your application.
- If your child is currently enrolled at a facility in Yokosuka and you wish to enroll them in a new facility (transfer) starting in April 2025, you will need to submit a withdrawal notice for the facility from which you wish to withdraw your child (deadline: end of March, 2025). Your new enrollment application will not be processed if you do not submit a withdrawal notice.
