# Can I Receive the Benefit for Tax-Exempt Households?

# Why didn't I receive any documents even though I'm eligible to receive this benefit?

- You entered Japan or after January 2, 2024.
- You moved to Yokosuka on or after January 2, 2024.
- You became divorced in 2024 and became exempt from paying taxes.
- You didn't file a tax return (you must file a tax return).
- You filed a correction to your tax return and became exempt from paying tax in 2024.

...etc.

You were not sent documents because the city of Yokosuka could not confirm your tax records because of the reasons on the left, and therefore could not make a judgement about whether or not you were eligible for this benefit.

If you think you may be eligible, please call the
